#### Notice of Scheduled Pest Control Services

This notice is to inform you that pest control services will begin on Tuesday, January 6, 2026, and will continue every Tuesday for 10 consecutive weeks, concluding on March 10, 2026.

During this time, Butler Pest Control will be servicing the property. We kindly ask that all tenants allow the pest control technician access to treat each unit as scheduled. Also, please make sure your pets are crated or removed from the unit during treatment. This treatment is an important part of maintaining a clean, safe, and comfortable living environment for everyone.

If you have any questions or concerns regarding the service, please contact management directly.

Thank you for your patience, cooperation, and understanding.

Sincerely,

Dickson Housing Authority Management
